MATCH REPORT… *We had played Racing Keeblers in Cup competitions on two previous occasions and lost to them both times after fielding severely depleted sides, and this match was no different with 13 players making themselves unavailable including arguably our two best players so far this season in central defender Louis Miller and skipper Charlie Savage. That saw us having to sign up two teenagers from Youth football the day before this match in Freddie Worth and Christianos Georgiou, who both had to start when David Martins and Tuerrae Nortey were delayed after being unable to find a parking space thanks to Whitewebbs Vets using the pitch for a 10.00 am Kick-Off, but thankfully central defender Fergus Murray was able to play a rare game while Harry Dorward, Myreon Keane & Frankie George all returned after missing the previous week's match. Mid-table Keeblers also seemed to be struggling for players though, and we took the lead after just two minutes when Harry Dorward and Myreon Keane played a neat one-two for Harry to get in behind the Keeblers defence and produce a good side-footed finish, but we didn't push on from there in the First Half and Keeblers had the only other real clear-cut chance of the half when Josh Wakeford had to make a good point-blank save before Half-Time with Chris Jordanou then helping him out with an excellent block from the follow-up shot. We had a lot more efforts at goal in the Second Half though as our superior fitness started to show, but we had to wait until the 74th minute to grab a second goal which would kill the game off when substitute Tuerrae Nortey sent a perfectly-weighted through ball over the Keeblers defence for Harry to produce another calm finish in a one-on-one with keeper Jed Quilley, who then made a number of good saves to stop us from having an even more emphatic victory, while Max Francis also hit the post with a sliced cross with almost the last kick of the match. Once again though, our defence looked very solid as we notched up our fourth win in a row while only conceding one goal…an Own Goal !... during that time.*
