MATCH REPORT… *With most teams having a Bye in the First Round of this competition and the winners of the Second Round matches subsequently becoming Quarter-Finalists already, this is the Cup that we have the best chance of reaching a Final in as it is competed for by Division Two & Three teams only. As we were on a run of six games unbeaten, we came into this game against fellow mid-table Division Two side Radlett Town as the favourites, even though Josh Wakeford had resigned as Player-Manager during the week to concentrate on playing in goal, although he was actually out injured for this match anyway. Thankfully though, our fellow Holtwhites pitch-sharers Whitewebbs Vets were without a match, so we were able to call up Ritchie Redgrave to replace Josh in goal, while another one of the Vets, Ben Jackson, agreed to bolster our Subs bench with several players still unavailable or continually turning up late for the kick-off. Unfortunately though, Ritchie made an uncharacteristic error to gift Radlett the lead after just four minutes when he let a low long-range effort from Nick Russell squirm through his legs from their first shot on target and we then fell further behind in the 27th minute from only their second real clear-cut chance of the match when Max Papacosta fired home from close range from Nick Russell's short pass despite six of our players marking them both ! Newly-appointed Manager Archie Madden-Brine then started making changes just after the half-hour mark in an effort to stop the rot with us only having created one clear-cut chance before then, and soon after that, Radlett defender Tom Downey was lucky to escape with just a yellow card for a 'DOGSO' challenge on Harry Dorward when he was clean through just before the break. We finally pulled a goal back four minutes into the Second Half though when Charlie Savage turned onto a Chris Jordanou through ball to half-volley past keeper Fallon, but despite numerous near-misses and Radlett having a player sent off late on, we were only able to add one more through Harry Dorward with a good finish after a one-two with substitute Tuerrae Nortey in the 72nd minute, so for the second time this season a Cup game went to a penalty shoot-out with us prevailing once again, this time thanks to a couple of saves from our Veteran keeper Ritchie Redgrave and a well-placed winning penalty from Max Melandri.*
