MATCH REPORT… *With five wins in a row under our belts and a comfortable 3-0 Cup win against our opponents Southgate Rovers being the game that started off that run, we were fully expecting to beat them again with us having more or less a full-strength side available for a change. However, Southgate Rovers seemed a bit more fired up than last time and they forced us into some defensive mistakes early on and should have taken the lead on at least a couple of occasions but shot high or wide from good positions, while we struggled to create chances ourselves despite dominating possession as Southgate's defenders constantly threw themselves in the way of any attempted shots. However, the game started opening up from the 35th minute onwards when the correctly-forecast torrential rain started falling to 'zip the pitch up a bit' as thankfully there was no wind to go with it this time, unlike our first Home game at Holtwhites a few weeks earlier that was totally ruined by the ball blowing out of play. We were unable to break the deadlock before Half-Time though thanks to some good saves by Southgate keeper Jake Del-Giudice, who had also been outstanding in the first match, and he continued his good form in the Second Half of this game too as we dominated the shots count again. However, he was finally beaten in the 85th minute when Micah Greenaway's low shot was deflected past him by the heel of his own defender Javier Torres, and with Josh Wakeford not having been tested much at all at the other end, it looked as if that goal would be enough for the three points. However, Chris Jordanou then gave away a free-kick in a dangerous area three minutes later for which he was yellow-carded, and when Timur Koymen's effort rebounded off the post, Omid Loftizadeh pounced on the rebound to cut inside Chris's challenge and send a similarly deflected shot into the far bottom corner to earn his side a point which they didn't really deserve. With us having scored only nine goals in our six League matches so far this season though, we really need to improve our finishing if we are to climb the table and challenge runaway leaders Sopranos for the Division Two title.*
