

EDMONTON ROVERS F.C.

www.edmontonrovers.co.uk

SPONSORSHIP OPPORTUNITIES FOR SEASON 2026-2027

- We are an established adults team playing in Division Two of the Barnet Sunday League and we have just celebrated our **50th Anniversary** with a Reunion Dinner on Friday 18th September 2026.
- We have the most detailed club website in Sunday League football (edmontonrovers.co.uk) with an Archive section covering all 50 seasons so far.
- We will be very active this season on You Tube & Instagram. We also have a Facebook Group for our former players.
- Our Home ground this season is the Holtwhites Sports & Social Club in Enfield. This is a private ground with a clubhouse and a new venue for us after playing for the last four seasons on Enfield Council pitches.
- All our matches are professionally filmed and edited (by Club Chairman & Secretary Laurence Hughes) with 30-40 minutes-worth of highlights of each match being shown on the **hughesvideo** channel on You Tube, where the number of views per match has been averaging 750 and often goes over the 1,000 mark.
- In the Summer of 2021 we effectively 're-started' the club with a new young team of predominantly 16 & 17-year olds, some of whom were the sons & nephews of our players from the 1990's. It was their first experience of adults football and they enjoyed every minute of it. A lot of those players have remained with the club and our squad (pictured above in our First & Second-choice kits) now have an average age of just 21.
- Our aim with this current group of young players is to eventually progress all the way up to the Barnet Sunday League's Premier Division, which was the level that some of their fathers reached when playing for us back in the early-2000's.
- Since the Summer 2021 're-start', we have seen a large increase in followers on You Tube & on social media who are interested in seeing how our new young players develop as a team.

WE HAVE A NUMBER OF DIFFERENT OPTIONS LISTED BELOW THAT REQUIRE SPONSORSHIP FOR SEASON 2026-2027

- Interested sponsors for any of the options should contact Club Secretary Laurence Hughes via e-mail at secretary@edmontonrovers.co.uk and attach (or link to) a logo/wording that they wish to use on our club website, our You Tube highlights and our social media platforms.
- A confirmation e-mail, letter and/or invoice will then be sent to the chosen sponsor as an agreement detailing the nature of the sponsorship for the season.
- The chosen sponsor will then need to pay the full sponsorship amount into the **Edmonton Rovers Football Club** account at **30-98-97 / 80271263** so that we can ideally pay our bills as soon as possible.

All companies who sponsor the club will have their logo and a link to their website placed on the Home Page of our website, in addition to the sponsorship being publicised in our Club Members Facebook Group and on our publicly-viewable social media platforms on Twitter ('X'), Instagram.

Logos of our sponsors will also be included with the opening titles of each of our match highlights on You Tube, and if you want to take that further, we can even show a 5-10 second MP4 1080p 50fps 20Mbps 'Bumper Ad' video publicising your company's sponsorship of our club at the start of the match highlights if you are able to create one.

SPONSORSHIP OPTION ONE - OUR HOME PITCH FEES FOR SEASON 2026-2027

- We are playing our Home matches this season on a private pitch at the Holtwhites Sports & Social Club, Kirkland Drive, Enfield EN2 0RN. That pitch is pictured below.
- The total cost of the pitch for the Season is £1,300, which is to be paid in two £650.00 instalments. The first instalment has to be paid before we play our first Home League match of the season, which will be in October. It is likely that we will play approximately 13 Home games during the course of the season, so sponsoring individual matches for £100 is an option if we receive no offers to sponsor one or both of the instalments.

PRICE: **£1,300.00** (For the whole season), **£650.00** (For one instalment) or **£100.00** per match

SPONSORSHIP OPTION 2 - CUP ENTRY FEES

- Both the Barnet Sunday League and the London F.A. charge a £35.00 entry fee for each Cup that we compete in. That includes three League Cup competitions and the London Sunday Junior Cup, which has now been re-named as the David Wolff Sunday Cup.
- We have not won a Cup Final since 1980, so this will be a great sponsorship for any individual or company if we manage to do so this season after 46 long years !

PRICE: **£140.00** (For all four Cup entries) or **£35.00** per Cup

SPONSORSHIP OPTION 3 - AWAY CUP MATCH PITCH FEES

- Both the Barnet Sunday League and the London F.A. have rules where the Away team has to pay the Home team half the pitch fee for all Cup matches, and **this season we have been drawn AWAY in the First Round of all four Cups that we have entered !**
In fact we will also be Away in the Second Round as well in at least two of those Cups, so that is going to hit us hard financially unless we receive sponsorship.
- The average cost of pitches used by Barnet Sunday League teams is around £100.00 per match, so £50.00 per team. Some teams do use very expensive 3G/4G pitches which cost £250.00 per match to hire, but we have not drawn any of those teams yet. They are allowed to ask for anything up to £100.00 from the Away team for their Home Cup matches.

PRICE: **£200.00** (For all four First Round Cup Matches) or **£50.00** per Away Cup Match

SPONSORSHIP OPTION 4 - MINIBUS HIRE FOR LONDON CUP MATCH

- In the First Round of this Season's David Wolff Sunday Cup (formerly known as the London Sunday Junior Cup) to be played on Sunday 4th October, we have been drawn Away to a team that play in Beckenham, Kent, which is too far for our young players to drive there individually and too awkward (and expensive) to get to by train on a Sunday morning.
- One of our players has volunteered to drive a minibus there and back, but we will need sponsorship to pay for the hire, plus petrol and Dart Charge costs.

PRICE: £300.00

SPONSORSHIP OPTION 5 - GREEN SOCKS

- Our first-choice kit is Green & White Shirts, Black Shorts & **GREEN** socks, with each player keeping their own shorts and socks which they bring to every game. However, a large number of players bring **black** socks to our matches instead, and that is causing an issue when we play opponents who are also wearing black as some Referees will stop our players from playing if we are not all wearing green, sometimes leaving us with less than eleven players on the pitch.
- We therefore need a constant supply of green socks to give out to players, replacing those that have been lost when players have left the club or when they forget to bring them to matches.

PRICE: £100.00 (For 20 pairs) or **£50.00** (For 10 pairs)

SPONSORSHIP OPTION 6 - BLACK SHORTS

- Our first-choice kit is Green & White Shirts, **BLACK** Shorts & Green socks, with each player keeping their own shorts and socks which they bring to every game. One of our two Skechers kits came with a set of just eleven black shorts with a big wide white stripe down each side which the eleven players who first wore that kit still wear for every match. However, those players do not play every week, so for most of our games we have players playing who are wearing all sorts of different-style black shorts, while others turn up and play in casual grey shorts with pockets in ! Again, Referees can stop players from playing if we are not all wearing the same shorts.
- We therefore need a new set of **PLAIN** black shorts to give out to players, replacing those that have been lost when others have left the club or when new players join who do not have a pair of black shorts already.
- For a set of 20 pairs that we would order as new for the whole squad, 16 will be Large (L) size, 2 will be Medium (M) and 2 will be Extra Large (XL).
- For a set of 10 pairs that we would order just for players who do not already have plain black, 7 will be Large (L) size, 2 will be Medium (M) and one will be Extra Large (XL).

PRICE: £140.00 (For 20 pairs at £7.00 each) or **£70.00** (For 10 pairs at £7.00 each)

SPONSORSHIP OPTION 7 - MATCH BALLS

- Although we are an F.A. Accredited club and we receive four free match balls per season as part of that accreditation, the pitch we are playing our Home games on this season has one of the goals right in front of some wire fencing where wayward shots will go straight into the back gardens behind it. We will therefore need to keep a larger stock of match balls this season than we have done previously.
- The match balls we buy are generally of a quality where they sell for approximately £30 each.

PRICE: £300.00 (For a bag of 10) or **£30.00** per ball

SPONSORSHIP OPTION 8 - REFEREES FEES

- Referees fees for Season 2026-2027 in the Barnet Sunday League are £50.00 per match.
- The fees for every match are shared by both teams and we are likely to play a maximum of 35 matches this season, particularly if we do well in Cup competitions. So that's 35 x £25.00 required for us to pay Referees this season.

PRICE: £875.00 (For the whole season) or **£25.00** per match

SPONSORSHIP OPTION 9 - OUR BARNET SUNDAY LEAGUE AFFILIATION FEES

- The Barnet Sunday League charge a lot more per season to play in their League than other Sunday Leagues as it covers the cost of running an excellent You Tube channel, the hire of a professional photographer and maintaining numerous social media pages, all of which are very beneficial to sponsors of clubs within the League. This helps greatly in keeping the League's member clubs alive.

PRICE: £225.00 (For the Season)

SPONSORSHIP OPTION 10 - LONDON F.A. AFFILIATION FEES

- This includes Player Injury Insurance and Public Liability Insurance, both of which are mandatory.

PRICE: £100.00

SPONSORSHIP OPTION 11 - CLUB WEBSITE HOSTING

- Our Club Website (edmontonrovers.co.uk) has an Archive section in it documenting all our results, League tables, match reports and more going right back to 1976, the year of our formation. It is a vital source of information, but it was created nearly 20 years ago using now-obsolete Serif WebPlus software, and due to its size and complexity it is impossible to convert the site to WordPress, which is more commonly used today.
- The website therefore costs £350.00 per year to be hosted including expensive online compliance which is now mandatory.
A sponsor for that hosting fee this season would be much appreciated.

PRICE: £350.00

SPONSORSHIP OPTION 12 - ChatGPT SUBSCRIPTION

- We are now using ChatGPT for our social media graphics from this season onwards and we will also now be using it for our match highlights on You Tube in conjunction with new video software which has just been purchased by our cameraman/editor !
- However, to get the full benefit of ChatGPT's resources and produce more than one graphic a day, we have to pay a £20 per month subscription. So we would be grateful of some sponsorship for that.

PRICE: £240.00 (For the whole season) or **£20.00** per month
