MANAGER'S REPORT

Our first cup tie of the season was against As usual we faced a tough London Cup tie against Hackney & Leyton Sunday League Premier Division side in Albion Manor. We were fielding a strong side although we were missing Terry Moore in defence. Unfortunately, Danny Hagan was 'not feeling too well' and Daniel Cascoe arrived late for a match where the team sheet has to be handed to the referee 15 minutes before kick off. We came under a lot of pressure in the first half but we defended well especially from numerous corners. Our most notable moments were two nutmegs by John Scouller and Daniel Daley's header a minute before half time which was cleared off the line with Daley claiming it was over the line. It was still 0-0 when I brought on Daniel Cascoe for the out of sorts Danny Hagan and club record goalscorer Conor McGovern came on for his first appearance since his retirement at the end of last season. However, just two minutes later in the 62nd minute Albion took the lead with a well taken goal. Albion defended well thereafter with Conor unable to get any shots on goal and with Lexton Harrison also pushed forward we still struggled to create chances. Martin Loveday had our last chance of the game in injury time when he headed over the bar from Tony King's free kick. We are now out of all the cups for another season and need to start getting some points in the league games to come.
