MATCH REPORT... We came into this second match of the season in a good mood after our 4-1 victory the week before followed by our 50th Anniversary Celebratory Dinner on Friday night, so we were fully expecting another three points when 16 players consequently made themselves available. However, Skipper Charlie Savage and fellow central midfielders Tuerrae Nortey & Benji Wackett were all unable to play this time, while Enfield Albion had beaten us 8-1 the last time we played them two and a half years ago when we fielded a squad of 12 including six players who were featuring in this match. Although we had four regulars from last season in Max Melandri, Myreon Keane and the Jordanou brothers all returning to the squad after their holidays, Albion soon made their intentions clear as they were smarting from a 5-1 opening day defeat Away to Racing Keeblers and were therefore fielding a much stronger side this time, all of whom were clearly determined to give us no time on the ball whatsoever and basically 'bully' us with their superior physical strength. They also made full use of the strong wind behind them in the First Half and they took the lead after 23 minutes when a long ball over the top from Daniel Cole caught out Josh Wakeford, who came off his line to claim it but didn't get there, leaving Albion's ex-London Orient forward Marius Rusu to head the ball towards an empty net where Liviu Husau outsprinted Paddy Baynes to make sure on the goal-line and claim it for himself. Indeed the wind then played a part again when Albion went 2-0 up just two minutes before Half-Time when Cole's corner sailed into the far top corner, giving Josh no chance. That scoreline was quite harsh on us as it had been an even game in terms of chances created, but Josh wasn't happy with our performance and all four substitutes were therefore brought on at Half-Time to try and make a difference. However, it was Albion forward Gab Kolnikaj who helped us get back into the match by getting himself sin-binned for 10 minutes early in the Second Half, during which time Micah Greenaway pulled a goal back in the 58th minute to make it 2-1 with a long-range screamer in off the underside of the crossbar. We then tried to push forward for the rest of the half looking for an equaliser, but with so many players on the pitch who had never met each other before (thanks to us having no Pre-Season) and Charlie Savage missing to organise things, we were generally second best and Albion's full-strength side made sure of victory with literally the last kick of the match when Romain Bogle made it 3-1 with a low shot into the bottom corner after a series of weak challenges by our players in and around the area.
