Report: We went into this match thinking it was going to be easy after being fed some 'duff' information from a mate of Tim Beeden's that Old Bristolians were 'rubbish'. However, despite them being in the Islington Midweek (Astroturf) League and taking a 'gamble' in entering a Sunday competition on grass, Old Bristolians turned out to be a reasonable side and comparable to most of the teams in our Division, which therefore scuppered our plans to give 17-year-old substitute Gary Odell a much needed run-out. In fact we couldn't even bring on our other substitute Derek Dorward because the game was so tight, with Old Bristolians impressive level of fitness and their 6-man midfield! stopping us from playing our normal passing game and in the end it was our determination in defence to prevent them getting in shots at stand-in keeper Paul Rebauro that really won the game for us, along with three well-taken goals at crucial times in the match and with the likes of Stavros Elia, Stuart Dorward, Lexton Harrison & Robin Pryke all unavailable for various reasons it was a good performance just to 'scrape through' to the next round.
