PENDING OFFS: ---

WEATHER CONDITIONS: MAINLY CLOUDY WITH OCCASIONAL SPOTS OF RAIN. VERY STRONG WIND STRANGELY DOWN PITCH (AGAINST US IN FIRST HALF)

STATE OF PITCH: QUITE SMALL AND VERY UNEVEN. GOALPOSTS TOO SMALL AT ONE END!

Report: This was a more comfortable victory than the scoreline suggests, as we just 'upped a gear' when it was necessary against a team who were basically an 'experienced bunch of cloggers' who used the long throw-in as their main tactic in trying to score! Stuart Dorward's second successive hat-trick saw us through in the end though to delight the watching Aaron Dart (a former Rovers Captain who now lives in the Plumstead area and was making a now rare appearance on the touchline).
