WEATHER CONDITIONS: VERY WARM AND SUNNY - OCCASIONAL STIFF BREEZE ACROSS PITCH.

STATE OF PITCH: PERFECT ('BOWLING GREEN')

Report: This was a much better performance against Kevin Dedman's work colleague's side who were supposed to be quite useful, but their goalkeeper was definitely man of the match as we created numerous chances from clever passing moves on a real 'bowling green' of a pitch. In fact the free 'grub' in their pub afterwards was excellent as well and the various Rovers players who missed this match to go 'out with their birds' instead picked the wrong week to go away! However, we will definitely arrange to play this lot again next season as it was an easy venue to get to (only a half-hour drive) and had some superb facilities (except for the showers?).
