**Report:** This was another really good workout for us and a good result as Trojans fielded by far the strongest side they had ever put out against us in this Annual Pre-Season Friendly with certain ageing ex-Rovers players being replaced by First Team players from A.F.A. sides such as Winchmore Hill and Crouch End Vampires. With us having numerous key players missing because they were worried about aggravating 'injuries' by playing a match on astroturf (they only stroll about on it in training?), we were lucky that Micky Southam turned up to play his first game for nearly 3 years while Glen Southam was man of the match in what could well be his last appearance for the club having now got into Enfield's First Team.
