Report: With Kevin Dedman still suspended and John Dyer missing through family commitments, we appeared to be in for a tough match with Welling Borough apparently in mid-table in the Premier Division of their League, but we produced an excellent performance to tear their defence apart with the fact that nobody had been 'out on the piss' the night before obviously helping. Although Phil Davis and Stuart Dorward appeared to be the 'heroes' by both scoring hat-tricks, everyone played well and on the evidence of this performance we should be one of the favourites to reach the final.
