Report: Again we had problems with 6 key players missing through injuries, work commitments or holidays which not suprisingly meant Shaun O'Neill ended up as our man-of-the-match again, especially with the in-form White Hart being unbeaten and having only conceded 2 goals in their 5 matches so far. Although we defended well and Glen Southam had an excellent game up front, all of our midfield players looked badly off-form either due to niggling injuries, constant excess alcohol or in 'Tex''s case an overdose of sleeping pills !?, and despite the shots count being quite close, we were a bit lucky in the end to come away with a draw.
