Report: We finished our season with a great result, as Winchmore Hill had won 8 games in a row before this and had not conceded a goal in their last 3. They were also fielding a full-strength side, but we battled back from 2-0 down to equalise in the 86th minute with a rare goal from Gary Southam, and if top scorer Kevin Dedman hadn't been missing through suspension, we could even have won the game in the last 4 minutes as we had two or three good chances which went begging. The presence of Darren Rorie in midfield (playing a rare game) helped us, even if we were a bit lucky that Winchmore Hill wasted a number of chances in the first half to really bury us.
