WEATHER CONDITIONS: VERY MILD. OCCASIONAL LIGHT RAIN. STRONG WIND ACROSS PITCH.
 STATE OF PITCH: BADLY WATERLOGGED AND MUDDY!

Anyone who did not see our recent away match with bottom club Enfield Park Reserves must be thinking we are rubbish after losing to a side without a win all season, but the truth is that we actually played some of our best football of the season (e.g. Chris Beeden's goal coming from a 7-man, 10-pass move the length of the field), only to be beaten by a totally unplayable pitch which was almost knee deep in mud and an Enfield Park Reserves side who scored from all of their four shots on target, whereas we hit the post twice and saw all our best moves stopped by the mud or a lucky goalkeeper!

We also had no luck against Division Two side Two Brewers in the Challenge Cup when we had four or five key players missing through illness or injury, as we know we would have beaten them with a full strength side out.

We all know that we have now got the best Rovers side for some time and just need a bit more luck to get promotion or win a cup.

Perhaps 'Willie' Platt's return from Ecuador will do the trick !?
