We have made an excellent start to 1994, winning three out of three games played and beating some good sides in the process.

'Willie's' return and Stuart Dorward's performances in his first three games for the club have given Trevor real problems in trying to pick a side as we now have at least 14 good players who all deserve to be in the starting eleven.

Players will have to bear in mind therefore that if they are not named in the starting eleven they have not necessarily been dropped, but left out either for tactical reasons or rested to give slight fitness problems time to heal (e.g. groin strains !)

In the next few months, several players will be unavailable due to ski-ing, indoor cricket, holidays and birthday celebrations ?, not to mention possible injuries, illness and suspensions, and so the squad will be used to the full with everyone playing a part in our hopeful success this season.

With the squad we've got now, I believe we have a good chance in both the London Junior Cup and the League Intermediate Cup and we can still finish as high as second in Division 5 quite easily, as St. Mary's and Oakwood United seem to be on the slide and we have still got to play Goffs Oak Comrades twice.

If everyone takes our remaining matches as seriously as they have so far (i.e. not getting pissed on a Saturday night) we should end up with at least one trophy this season.
