Report: Our lucky day !, as we had four key players missing (Dart, Rorie, Platt & C. Beeden), but came up against opponents who played like a bunch of strangers (which in fact some of them were !) due to their normal side being involved in the London Intermediate Cup Semi-Final on the same day, although Streatham & Mitcham should have been playing their Reserve side in the competition from the start, so it serves them right for 'cheating'!

Will 'Del' Dorward's volley be Goal of the Season though, we shall have to wait and see !.
